Approved Electives

The College of Business Curriculum allows Business Students to take three Business and/or approved electives to satisfy these requirements. The College of Business encourages students to choose courses that complement their intended program of study. Business students are encouraged to complete a minor along with their Business major; therefore, the Business or approved elective courses are available to satisfy some of those requirements. The courses identified below are approved non-business electives allowed to fulfill degree requirements.

These courses, which are included in the AUM Core Curriculum:		
ANTH 2110 Cultural Anthropology	GEOG 2050 Geog. of World Regions	MUSI 2110 Music Appreciation
COMM 2212 Public Speaking	GEOG 2150 Cultural Geography	PHIL 2000 Reasoning & critical Thinking
