‡=2nd Tier National University; †=School's Carnegie classification changed in Fall 2017. It appeared in a different U.S. News ranking category last year.; \*= Public School; N/A= not available; 1=School refused to fill out U.S. News statistical survey. Data that appear are from school in previous years or from another source such as the National Center for Education Statistics.; 2=SAT and/or ACT not required by school for some or all applicants.; 3=In reporting SAT/ACT scores, the school did not include all students for whom it had scores or refused to tell U.S. News whether all students with the same scores had been included.; 4=Previous year's data was used in the ranking calculation; 5=Data based on fewer than 51 percent of enrolled freshmen.; 6=Some or all data reported to the NCAA and/or the National Center for Education Statistics.; 7=Data reported to the Council for Aid to Education; 8=This rate, normally based on four years of data, is given here for less than four years because school didn't report rate for the most recent year or years to U.S. News; 9=SAT and/or ACT scores may not be required by school for some or all applicants, and in reporting SAT/ACT scores, the school did not include all students for whom it had scores or refused to tell U.S. News whether all students with scores had been included.
