Learning Center and Instructional Support Lab

Every day, in the Learning Center and Instructional Support Lab, hands-on tutoring creates a unique and dynamic learning environment that is all about you. We have textbooks, along with models and 3-D structures to help you better understand the course material. Walk-ins are welcome—we’re open late—and the tutoring is FREE. This includes help with writing. Stop by today and ask a question.

Give us a try! Our tutors are undergraduate students, graduate students, and professional tutors.

Other available services include math placement test prep, style guides for papers, and study tables with whiteboards and small group accessibility.

We try to accommodate all courses and levels, so stop by today!

Bridge Program

If you do not meet AUM’s minimum admissions requirements (18 ACT/2.3 GPA) yet demonstrate the potential for college success, the Bridge Program is for you. Bridge will support you through tutoring, mentoring, and personalized academic advising throughout your first college semester. After successfully completing this one-semester program, you are fully admitted to AUM. You can begin Bridge during the fall, spring, or summer semester. Bridge students are eligible for full financial aid.
