**Field Experience hours required.

Notes:

Total Hours 122

*Students are NOT advised to work full-time during this program of study. Over 200 hours of field experience work will be required in area schools prior to internship. *This program is not online. There are a variety of modalities used - some courses will be f2f, some hybrid, and some online.

*Can take more or less hours and go in the summer as needed to finish in 4 or more years.
