Auburn Montgomery School of Nursing

Eligibility Requirements for Fall 2022 Application to Upper Division

Selection for admission to the upper division of the School of Nursing at Auburn Montgomery is based on academic performance in pre-nursing required courses, a TEAS test score, an interview, academic performance in math and science courses, and the amount of pre-nursing credit earned at AUM.

To be eligible to apply for consideration of admission for Fall 2022, all applicants must:

1. Have attended Auburn Montgomery within the last 3 semesters, be currently attending AUM, or have university admission for Fall 2022. Please apply to the university at www.aum.edu/apply by July 15, 2022. There is no fee.

2. Be fully admitted to the university and to the pre-nursing major (or be eligible for the pre-nursing major). Students with provisional university admission and those currently on Academic Probation or Suspension cannot be considered for admission to the upper division of the nursing program.

3. Submit an official Test of Essential Academic Skills (TEAS) score directly from ATI Testing to the School of Nursing by March 1, 2022. A score of 73% or higher is preferred. Applicants who have an official ACT composite score of 23 or higher on file in the AUM University Admissions Office by March 1, 2022 are not required to submit a TEAS score.

4. Have successfully completed (grades of “C” or higher) at least two (2) of the five (5) required lab science courses AND have at least one (1) of the remaining required lab science courses in progress at the time of application.

5. Have successfully completed an Anatomy and Physiology course within 5 years of upper division entry, or a retake of one is required.
   - A student who has earned 2 grades below a “C” in either Anatomy & Physiology I or Anatomy and Physiology II is ineligible to apply to the nursing program.

6. Have no more than 22 credit hours of pre-nursing coursework left to complete in Spring and Summer 2022 combined.

7. Complete all remaining pre-nursing courses with grades of “C” or higher by the end of Summer semester 2022.

8. Have an unadjusted, unrounded GPA of 2.50 or higher based solely upon pre-nursing course work at the time of application. Grades are counted every time a course is taken. Grade adjustments (“grade forgiveness”) and Repeat to Replace adjustments are NOT considered. A GPA of 2.50 does NOT guarantee acceptance.

9. Possess the functional ability to perform the skills and behaviors required of a professional nurse as listed in the current Auburn Montgomery Undergraduate Catalog and in the Pre-nursing Student Handbook. (Both may be viewed on the Auburn Montgomery website, www.aum.edu.)

10. Submit the Traditional BSN Application – Fall 2022 application by March 1, 2022.

11. Successfully complete an interview at the Auburn Montgomery School of Nursing on Friday, March 25, 2022. Interviews will be conducted in person, unless the most recent health and safety guidelines prohibit it. All health and safety practices required by the university will be strictly followed. Interviews may be conducted remotely via Zoom or a similar platform if they cannot be conducted in person. All applicants chosen to interview must attend, NO EXCEPTIONS, on March 25, 2022. All applicants will be notified whether or not they have been selected to interview through their AUM email account in mid-March.

12. Those interviewed will be notified regarding their admission status in late April through their AUM email account and through postal mail. The applicant must keep the School of Nursing apprised of any address changes.
