

Amendment to the AUM 2020-2021 Graduate Catalog

Starting Fall 2020, Graduate students at AUM will be considered full-time if they are taking at least six credit hours during a standard 15-week term or at least six credit hours during an 8-week term. All references in the 2020-2021 graduate catalog referring to full-time status requiring nine credit hours per 15-week term should be considered to have the former requirement of nine hours per 15-week term replaced by six hours per 15-week term or six hours per 8-week term. This change applies to *all* graduate students be they domestic, out-of-state, international, veterans, etc.

Change approved by:

A handwritten signature in black ink, appearing to read "Mrinal Varma", is positioned above the printed name.

Mrinal Varma
Provost and Senior Vice Chancellor
