TOP REASONS TO EARN A GRADUATE DEGREE FROM AUM:

1. **Accelerated Degrees**: Finish your degree faster. Fewer classes means less tuition. You save valuable time and money while pursuing a degree that lasts a lifetime.

2. **Make an Impression**: Graduate degrees get you noticed. With less than 15% of the U.S. adults holding a graduate degree, you'll stand out from the crowd.

3. **Build a Network**: Learning and working with people who have similar interests builds strong networks. You'll connect and collaborate with those in your field personally and professionally.

4. **Top-Ranked Clout**: Auburn University at Montgomery is ranked among Best Grad Programs by U.S. News & World Report and Best Regional Colleges by The Princeton Review. AUM is a designated Military Friendly College with a value-driven tuition rate.

5. **Increase Your Future Finances**: The Bureau of Labor Statistics shows that employers pay a premium for graduate degrees.

The more you learn. The more you earn.

- **19%**: Average earnings increase with a Master's degree over a Bachelor's degree.

- **24%**: Average earnings increase with a Doctoral degree over a Master's degree.

Move Your Career Forward
For the busy professional or academic, AUM offers nationally and internationally recognized graduate programs that are affordable and fit your career and academic goals as well as your timeline. You’ll also have unique opportunities for research, scholarship and collaboration. With courses available in a traditional classroom environment, online or a variety of either and low student to teacher ratio, you will gain invaluable insights and experiences.
