### **AUM Agreement and Release Form**

AUM Study Abroad Program is managed and directed by AUM Study Abroad, in collaboration with AUM academic schools, and in some cases, host institutions located in foreign countries around the world. As with any program encompassing travel outside the United States, there are risks involved to both person and property. Therefore, in consideration for my participation in the Program, I hereby agree as follows:

# PLEASE READ THIS DOCUMENT CAREFULLY BEFORE SIGNING. THIS IS A LEGAL BINDING DOCUMENT.

#### Student Acknowledgement and Understanding Regarding Assumption of Risks

- I acknowledge and understand that during the Program, housing and other accommodations are
  provided for my convenience, safety and security. I agree to stay in program housing and follow
  the rules for such housing.
- I acknowledge and understand that the Program is a "group" program and as such, I will be expected to accept the will of the majority whenever a matter of choice is presented to the group.
- I acknowledge and understand that AUM reserves the right to enforce standards of appropriate conduct and behavior and may, at the direction of AUM faculty, administrations or designated local resident program directors, terminate me from the program when my conduct is incompatible with University rules, regulations, and policies or the Code of Student Discipline. Should my participation be terminated, I hereby acknowledge my consent to being sent home at my own (or my parents/guardians) expense without refund fees.
- I acknowledge and understand that, as a participant in the Program, there are dangers, hazards and inherent risks not found in study at AUM to which I may be exposed when traveling to or in a foreign country. These include risks, both known and unknown, involved in traveling to and within, and returning from, one or more foreign countries, include but are not limited to:
  - Delays or changed departure or arrival times; fare changes; dishonors of hotel, airline or vehicle rental reservations; missed carrier connections
  - Risk of sickness, disease and serious physical injuries (including death); temporary or permanent disability; public health risks; economic losses; damages; property damage; weather; strikes; acts of God; terrorism; war; quarantine; foreign, political, legal, social, and economic conditions (including terrorist activities, social or labor unrest)
  - Different standards of design, safety and maintenance of utilities, buildings, public places and conveyances; criminal activity; inconveniences; cessation of operations; mechanical defects and failure or negligence of any nature howsoever caused.
- I acknowledge and understand that any independent traveling and/or living in a foreign country outside of the Program and the supervision, safety and security provided, may expose to me to additional risks and dangers, both known and unknown.
- I acknowledge and understand that AUM on occasion may use either statements by me or my photograph in publicity materials for University benefit.
- Therefore, to participate in the Program and with full knowledge of the dangers and risks imposed

(including the risks inherent in travel by aircraft) and other hazards that may be either foreseen or unforeseen, contemplated or not contemplated, obvious or hidden, or through omission or commission; I, for myself, my heirs, personal representatives and assigns, expressly and voluntarily accept and assume all risk of injury, loss of life or damage to property arising out of training, preparing, participating and traveling during the program.

#### Waiver of Claims

I hereby release AUM, its Board of Trustees, Administration, Faculty, Staff, and all other officers, directors, employees and agents (hereafter AUM) from any and all liability, claims, demands, damages, costs, expenses, actions and causes of action, for any right of action that may affect to myself, or my heirs or representatives, for any injury or loss that I may suffer while participating in the Program. This agreement is binding on my heirs and assigns. I understand that this release includes all transportation to and from the Program and all aspects of my time overseas, whether my activities are directly related to the program or not.

I further release, indemnify and hold harmless AUM from and against any and all liability, actions, debts, claims and demands of every kind whatsoever, specifically including, but not limited to, any claim for negligence or negligent acts or omissions and any present or future claim, loss or liability for injury to person or does arise out of participation in the Program.

This RELEASE contains the entire agreement between the parties to this agreement and the terms of this RELEASE are contractual and not a mere recital. I have been given ample time to read this document and I understand and agree to all of its terms and conditions. I understand that I am giving up substantial rights (including my right to sue), and acknowledge that I am signing this document freely and voluntarily, and intend by my signature to provide a complete and unconditional release of all liabilities to the greatest extent allowed by law.
