Update Bank Account - Select Account

I hereby authorize Auburn University Montgomery to initiate credit entries for direct deposit of my refund checks and to initiate, if necessary, debit entries to adjust for any credit entries made in error to my bank or credit union account. I also authorize my financial institution to credit and/or debit the same to such account. This authority is to remain in full effect until Auburn University Montgomery has received written notification from me of its termination in such time and manner as to afford a reasonable opportunity to act on it, or until I have been notified of Auburn University Montgomery's or the financial institution's termination of this agreement. I understand that a new authorization agreement must be completed if I change or close my account or change financial institutions. If any action taken by me results in non-acceptance of the direct deposit by my financial institution, I understand that Auburn University Montgomery assumes no responsibility for processing supplemental financial aid until the funds are returned to the University by my financial institution.

Step 6: Enter your bank's routing number and your bank account number. Refer to the diagram to the right for assistance. Select the account type from the drop down menu and click submit.

PLEASE DOUBLE CHECK THAT THE ROUTING NUMBER AND YOUR BANK ACCOUNT NUMBER ARE CORRECT TO ENSURE THAT YOUR REFUND POSTS TO YOUR BANK ACCOUNT IN A TIMELY MANNER.
