## Progress Report

Title of Project: \_\_\_\_\_

Principal Investigator (PI): \_\_\_\_\_

Department: \_\_\_\_\_

Type of Award: \_\_\_\_\_

Award Period: \_\_\_\_\_

Initial Award (amount): \_\_\_\_\_

Expenditure to Date: \_\_\_\_\_

---

Please Provide the Following Information (please provide responses that are thorough. #1 and #4 require one to two paragraphs to explain the progress and results):.

1. Please summarize the major results of the project in one or two paragraphs. Summarize your project's progress against the original aims proposed. If the originally proposed objectives were not met, please describe the problems encountered.

2. Please list project output peer-reviewed publications, books or book chapters, creative work/art, and other major achievements. Please DO NOT list abstracts, meeting proceedings, presentations, and manuscripts under preparation or review.

3. List the undergraduate/graduate students whose work is directly associated with this project.

4. How do you anticipate this grant impacting your professional and career development?
