## ***EDUCATIONAL BACKGROUND***

- 1982 - 1984      Doctor of Philosophy in Health Education, University of Tennessee,  
Knoxville, Tennessee (With Honors)  
Major: Public Health  
Minor: School Health Education  
Dissertation: Health Locus of Control, Cardiovascular Disease and Cancer  
Health Risk Behaviors of Elementary School Children.
- 1981 - 1982      Master of Arts in Health Education, University of Florida,  
Gainesville, Florida (With Honors)  
Thesis: Assessment of Health Risk Behaviors that Contribute to Cardiovascular  
Diseases and Cancer in Elementary School Children.
- 1976 - 1981      Bachelor of Science in Health Education, University of Florida,  
Gainesville, Florida (Cum Laude)  
Major: School and Community Health (Completed NCATE K-12 approved  
program in State of Florida).  
Minor: Biology  
Minor: Chemistry

## **ADMINISTRATIVE EXPERIENCE**

July 1, 2016-Present      Chancellor, Auburn University at Montgomery, Montgomery, Alabama.

Responsibilities:

- Lead all aspects of Auburn University at Montgomery (AUM) as its Chief Executive Officer.
- Develop, articulate and implement a shared strategic vision for AUM's future; provide strategic direction to serve the mission of AUM.
- Ensure academic quality, student success, operational effectiveness, faculty and staff development, and overall growth of the campus.
- Foster external partnerships and community engagement, including economic development and governmental affairs.
- Cultivate relationships and resources for the university among public and private stakeholders; lead fund-raising and friend-raising efforts in support of AUM's priorities.
- Promote a culture of evidence, inclusion, and accountability on campus.

2007-2016      Provost and Senior Vice-President for Academic Affairs, University of Houston-Clear Lake, Houston, Texas.

Responsibilities: Lead all aspects of academic affairs with 8,906 students of whom 40% are at the graduate level. Provide strategic vision and direction for academic affairs division, which has 40 bachelor's, 45 master's and three doctoral program. Lead \$106 million academic budget and staffing plans for academic affairs. Assist the president in providing strategic direction for university related goals. Supervise academic deans as well as the associate vice-presidents for academic affairs, enrollment management, student services and information resources. Represent the University of Houston-Clear Lake in the absence of the president.

Major accomplishments:

- Achieved a record enrollment in the history of the university (Fall 2015). Increased enrollment by 18% over a seven year period.
- Reorganized the administrative structure to add a new division of enrollment management to focus on student access and success.
- Increased the external dollars received through grant acquisition by 275% over a seven year period.
- Established a new division of online programs to focus on online program development and quality enhancement. Increased growth of online programs by 500% over a seven year period.
- Successfully led the University of Houston Clear Lake in receiving the second and third doctoral programs (Ed.D and Psy.D.) from the University of Houston System and the Texas Higher Education Coordinating Board.
- Successfully led the University of Houston Clear Lake in receiving a Bachelor's Degree in Nursing from the University of Houston System and the Texas Higher Education Coordinating Board.

- Developed and implemented a successful program related to transfer scholarships from community colleges for students.
- Led efforts for the university in receiving the 2008 Carnegie Foundation for the Advancement of Teaching Community Engagement Classification in both Curricular Engagement and Outreach and Partnerships.
- Led efforts in developing and implementing the first year experience course for freshmen.
- Led university efforts in joining the Voluntary System of Accountability.
- Established a culture of evidence and accountability in the university.
- Restructured the Office of Sponsored Programs to enhance research support for faculty and staff. Provided additional funding to strengthen research and technology infrastructure including space and equipments for teaching and research.
- Led reaffirmation efforts for SACS/QEP and program level accreditations including NCATE, AACSB, ABET, and CAHME among others.
- Established and enhanced partnerships with private foundations, alumni, university friends and organizations to support the institution's mission and goals.
- Developed new partnerships with area community colleges to close the achievement gap for transfer students.
- Led efforts to develop a new Space Act Agreement with NASA/Johnson Space Center and the Cybersecurity Institute at UHCL.
- Developed several academic partnerships and exchange programs with universities in India, China, Vietnam, Korea, United Arab Emirates Poland, Cyprus, Czech Republic and Turkey. Increased international student enrollment by 77% over a seven year period.
- Developed and implemented new international initiatives in support of study abroad and student exchange programs as well as enhancement of Fulbright opportunities for faculty.
- Led efforts for the university in receiving the President's Higher Education Community Service Honor Role in 2009, 2010, 2011, 2012, 2013 and 2014.

2004-2007

Dean and Houston Endowed Chair for Education, School of Education, University of Texas at Brownsville

Responsibilities: Led all aspects of a growing professional school with more than 4,800 students in education programs. Provided strategic vision and direction for the School of Education which has 12 masters degrees, 14 baccalaureate degrees and a doctoral program. Led academic budget and staffing plan for the School of Education. Led efforts to acquire external funding from both public and private entities. Provided strategic direction to academic affairs and the President on issues related to academic success for students.

Major accomplishments:

- Successfully led the University of Texas at Brownsville in receiving the first doctoral program from the University of Texas System and the Texas Higher Education Coordinating Board.

- Doubled enrollment in the School of Education, from 2300 students in Spring 2004 to 4800 students in Fall 2006.
- Achieved a 20 percent increase in degree program offerings in the School of Education.
- Introduced a culture of collaboration among the schools and colleges across campus by establishing interdisciplinary programs in science, math, music, history, English, and art education.
- Acquired more than \$33 million in external funding including a \$4.8 million grant from the Department of Education and a \$1 million endowment to provide scholarships for students in the School of Education.
- Served as principal investigator for a \$9.4 million GEAR UP grant serving six area school districts and 43,000 students.
- Established innovative P-16 partnerships with 14 area high schools to provide strategic direction, and planning for curricular alignment and program enrichment.
- Led The University of Texas at Brownsville in developing pre-college opportunity programs for high school students receiving college credits through such programs as dual college credit program, tech-prep program and concurrent enrollment program. Enrollments in these programs increased from 2000 students to over 4,000 students in the past two years.
- Led the School of Education in increasing teacher certification passing rates from 78 percent to 97 percent.
- Added 19 new faculty lines and 6 new staff lines in the School of Education. Recruited world class research faculty to implement the new mission of the university.
- Conceptualized and established the Texas Academy for Mathematics and Science at The University of Texas at Brownsville to serve high achieving high school students. Received legislative support and funding from the State of Texas.
- Provided leadership and planning for a Research Center for Master Teaching serving 14 school districts.
- Provided leadership and planning for an Early College High School on campus.
- Earned first-ever accreditation for the School of Education's Early Childhood Center from the National Association for Education of Young Children-the nation's leading organization of early childhood professionals.
- Raised \$16 million for the development of a Center for Early Childhood Studies and a Wellness and Recreation Center through a successful bond referendum.
- Established an international student exchange program with the University of Tampico, Mexico to provide instruction in English as a Second Language.
- Decentralized and democratized decision-making process to introduce principles of shared governance among the faculty and department chairs.

1999-2003

Department Chair, Department of Health and Applied Human Sciences, College of Arts and Sciences, University of North Carolina at Wilmington.

Responsibilities: Led all aspects of a comprehensive health and applied human sciences program. Provided strategic vision and direction for one of the largest departments on campus. Led the department's academic budget. Chaired the department's programs for strategic planning and program accreditation. Directed efforts to infuse technology into the program and education of faculty in the use of technology for teaching.

Major Accomplishments:

- Developed a faculty mentoring program for new faculty
- Added new programs in exercise physiology, community health and therapeutic recreation.
- Developed collaborative partnerships between the College of Arts and Sciences and the School of Education to establish a new physical education teacher education program.
- Established a travel and tourism program with the School of Business and the Wrightsville Beach Chamber of Commerce.
- Worked collaboratively with faculty and staff across campus to develop new interdisciplinary programs in gerontology, environmental studies and allied health programs.
- Earned initial accreditation of the athletic training program from the Commission on Accreditation of Allied Health Education Programs (CAAHEP).
- Successfully led re-accreditation of the recreation program by the National Parks and Recreation Association.
- Co-chaired the university self-study committee for reaffirmation of SACS accreditation.
- Infused information technology competencies across the scope and sequence of curriculum.
- Initiated innovative professional development programs to enhance design, development, and delivery of asynchronous teaching and learning.
- Secured ten new faculty lines for the department.
- Initiated a new incentive program to reward faculty receiving external grants and contracts.
- Reorganized departmental administrative structure by hiring and empowering program coordinators for decentralized decision-making.
- Manage external resources for increased faculty participation in the Centers for Teaching Excellence program.
- Assisted the School of Education in successful NCATE reaffirmation.
- Acquired \$500,000 in external funding to create laboratory spaces for exercise physiology and the athletic training programs.
- Built consensus among faculty and staff to support the university's new mission of increasing the number of minority faculty to reflect the demographics of the service area. Successfully led the department in recruiting and retaining a more diverse faculty.

1995-1999

Department Chair, Department of Exercise, Sport, and Health Education, College of Education and Human Development, Radford University, Radford, Virginia.

Responsibilities: Managed undergraduate and graduate programs within the department. Developed new degree programs to reflect the growth and mission of the institution. Mentored faculty and staff to strengthen scholarship and to enhance the quality of the teaching and learning. Led university-wide efforts to promote wellness and health awareness on campus and surrounding communities.

Major Accomplishments:

- Received \$200,000 to develop Motor Learning Laboratory for the pre-physical therapy program.
- Assisted the Dean of Education with strategic planning and implementing of emerging instructional technology in all teacher education programs.
- Assisted the Dean of Education on the knowledge base committee for NCATE (received re-affirmation April 1999).
- Co-chaired University strategic plan for technology.
- Led successful initial NASPE accreditation for the physical education teacher education program.
- Led long range planning and assessment for the health and physical education teacher education program.
- Received the outstanding faculty service award for the College of Education and Human Development.
- Received the outstanding teaching award for the College of Education and Human Development.
- Led the Center for Teacher Education efforts in promoting information technology skills among the faculty and staff in the College of Education and Human Development.
- Worked closely with the teacher education advising office to review college policies and procedures for teacher education programs.

***ACADEMIC EXPERIENCE***

2016-Present

Professor of Health Sciences, College of Education, Auburn University at Montgomery.

2007-2016

Professor of Health Sciences, College of Human Sciences and Humanities, University of Houston-Clear Lake, Houston, Texas.

2004-2007

Professor and Houston Endowed Chair for Education, School of Education, University of Texas at Brownsville, Brownsville, Texas.

1999-2004

Professor, Department of Health and Applied Human Sciences, College of Arts and Sciences, University of North Carolina at Wilmington, Wilmington, North Carolina.

- 1998 - 1999 Professor in Health Sciences, Department of Exercise, Sport, and Health Education, College of Education and Human Development, Radford University, Radford, Virginia.
- 1992 - 1998 Associate Professor in Health Education, Department of Physical and Health Education, College of Education and Human Development, Radford University, Radford, Virginia.
- 1985 - 1992 Assistant Professor in Health Education, Department of Health, Physical Education and Leisure Services, College of Education, University of South Alabama, Mobile, Alabama.
- 1984 - 1985 Visiting Assistant Professor in Public Health Education, Department of Health and Human Services, Florida State University, Tallahassee, Florida.
- 1982 - 1984 Doctoral Teaching Assistant, Division of Health and Safety, University of Tennessee, Knoxville, Tennessee.  
Taught two quarterly undergraduate health courses.
- 1981 - 1982 Research Assistant, Department of Health Education and Safety, University of Florida, Gainesville, Florida.
- 1981 Teacher, Gainesville High School, Gainesville, Florida.  
Taught Biology, Chemistry and Health; grades 9 through 12.

### ***CERTIFICATION STATUS***

- Graduate Faculty, The University of Texas at Brownsville.
- State of Florida Teaching Certificate (K-12)
- State of North Carolina Teaching Certificate (K-12)
- National Safety Council Emergency Services Driving Certificate
- American Association for Health Education (AAHE) Health Education Specialist
- National Safety Council First Aid and CPR Instructor
- American Red Cross Safety Services Instructor

### ***COURSES TAUGHT***

- Clinical Nutrition (Nursing)
- Sports Nutrition
- National / International Health
- Nutrition
- Health Services
- Nutrition (Graduate Level)
- Personal Family Health
- Epidemiology (Graduate)
- Wellness Lifestyles
- Human Diseases
- Public Health Administration (graduate)
- Accident and Safety Education
- Methods and Materials in Family Life
- Education in the Public School

- Concepts of Health & Fitness
- School Health Methods
- Human Sexuality
- Cardiopulmonary Resuscitation
- Student Teaching in Health Education
- Models of Health Behavior (graduate)
- Environmental Health (graduate)
- Functions and Roles of Health Educators
- Advanced First Aid and Emergency Care
- Standard First Aid and Personal Safety
- School Health Curriculum (graduate)
- Health Program in the Elementary School
- Introduction to Community Health
- Substance Use and Abuse
- Health Services Administration (graduate)
- Thesis and Dissertation Supervision

### **AWARDS AND HONORS**

- 2016                      Omicron Delta Kappa Honorary Society
- 2012                      Distinguished Alumni Hall of Fame, University of Florida
- 2009                      Honor Award, Southern District Alliance for Health, Physical Education, Recreation and Dance.
