

# New Checkout Experience

When checking out on Amazon Business, continue to enter your P-card as the appropriate payment method. The new experience will be choosing from a set of pre-configured shipping addresses.

- Purchase cards are the appropriate form of payment for the Amazon Business account.
- The Amazon Business account is intended for business purchases only. No purchases should be made on a personal credit card.
- If you have access and permission to use multiple different cards, multiple cards can be stored in your account information.
- Payment instruments are visible to your account administrator and can be audited.
