SOCI 2010 Social Problems

Course Name	Number	Hours(S)	Transfer/General Information	Qtr/Sem Completed	Grade	Quality Points				
Pre-MLS Science: A minimum of 11 hours are required. 3 hours must be a math course. Remaining 8 hours must be at least 2 sciences courses that have approved laboratory components. A grade of C or better is required in all math and science courses.										
Pre-Calculus with Trig (will accept Pre-Cal MATH1120)	MATH 1150	3								
Biostatistics (will accept Statistics + a computer course in place of Biostatics)	MATH 2200	3								
Cells, Molecules, Life (formerly Principles of Biology I)	BIOL 1010	3								
Cells, Molecules, Life Lab	BIOL 1011	1								
Microbiology (will accept General Micro BIOL 2010)	BIOL 3010	3								
Microbiology Lab (will accept General Micro lab BIOL 2011)	BIOL 3011	1								
Anatomy and Physiology I	BIOL 2110	3								
Anatomy and Physiology ILab	BIOL 2111	1								
General Chemistry I	CHEM 1100	3								
General Chemistry I Lab	CHEM 1101	1								
General Chemistry II	CHEM 1200	3								
General Chemistry II Lab	CHEM 1201	1								
Organic Chemistry (will accept Survey of Organic CHEM2300)	CHEM 3100	3								
Organic Chem. Lab (will accept Survey of Organic CHEM Lab CHEM 2301)	CHEM 3101	1								
Electives/ Miscellaneous Classes:										
Medical Microbiology	BIOL 4013	4
