[2021-2022 Catalog](#)

Commented [CA1]: We recently made a number of changes/updates to the PSYC major at AUM. These changes will be reflected in the 2022-2023 Catalog. Thus, I have incorporated those changes here. I'm happy to discuss/clarify as needed.

Commented [CA2]: I would prefer students take this earlier but we won't offer the course online in the fall semesters. It will only be online for spring and summer semesters.
