

AUM Community Engagement Recognition

Citizenship and community engagement (CE) are core values at AUM. We define *community engagement* as AUM's collaboration with our larger communities (local, regional/state, national, global) for the mutually beneficial exchange of knowledge and resources in a context of partnership and reciprocity. The purpose of community engagement is the partnership of AUM knowledge and resources with those of the public and private sectors to enrich scholarship, research, and creative activity; enhance curriculum, teaching, and learning; prepare educated, engaged citizens; strengthen democratic values and civic responsibility; address critical societal issues; and contribute to the public good.

Beginning in the 2023-2024 academic year, community-engaged students, faculty, and staff will be eligible for recognition. Apply by March 1st for recognition in the April ceremony.
