STEM Extension OPT

The STEM OPT extension is a 24-month period of temporary training that directly relates to an F-1 student's **program of study** in an approved STEM field.

Eligible F-1 students with STEM degrees who finish their program of study and participate in an initial period of regular **post-completion OPT** (often for 12 months) have the option to apply for a STEM OPT extension. Students may not apply for STEM OPT extensions during the 60-day grace period following an initial period of regular post-completion OPT.
