I.  PURPOSE
To allow students to have up to three course grades of D/F/FA associated with their undergraduate degree excluded from computation of their institutional and cumulative GPA.

II. POLICY
All currently enrolled, regularly admitted undergraduate students may exclude a maximum of three course grades of D/F/FA associated with their undergraduate degree from the computation of their institutional and cumulative GPA. Transfer grades, transfer credit, grades earned in courses completed in a previously awarded baccalaureate degree, or grades that have been assigned as a result of academic misconduct are excluded from this policy. This policy does not offer exemption from academic requirements for Auburn University at Montgomery degrees.

Further:
- Exclusion of grades is only available to currently enrolled, regularly admitted undergraduate students, or those seeking reinstatement. It is not available to students after graduation.
- This policy does not apply to students who return for an additional undergraduate degree and wish to exclude grades earned prior to their return.
- All core and major requirements must be met for graduation.
- A notification of “Grade Forgiveness Policy Invoked” will be noted on the transcript.
- A notification of “Course Excluded from Earned Hours and GPA” will also be noted on the transcript.
Students should be aware that grades of D/F/FA in required courses may be excluded from the computation of the institutional and cumulative grade-point average prior to a repeat.
