

Greater East Alabama Regional Science and Engineering Fair- General Award Script - Junior Division (grades 6-8)

Junior Division (grades 6-8)

Animal and Plant Sciences

Layla Rogers

Project Name : Shining Light: Growing plants in UV and sunlight

Project Number : JR-100-0013 -

Placement : 3rd Place

Carmine Biasella

Project Name : Ready... Set... Grow!

Project Number : JR-100-0001 -

Placement : 2nd Place

Andrew Valeri

Project Name : Investigation Into Migration

Project Number : JR-100-0015 -

Placement : 1st Place

Behavioral & Social Sciences

Dawson Deloney, Mac Steltenpohl

Project Name : Catch Not Release

Project Number : JR-200-0028-T -

Placement : 3rd Place

Danika Lawson

Project Name : CAN WORDS MOLD?

Project Number : JR-200-0022 -

Placement : 2nd Place

Kira LeFevre

Project Name : Can different types of noises eliminate stress and improve sleep quality?? Part 2

Project Number : JR-200-0023 -

Placement : 1st Place

Biomedical Engineering & Biomedical and Health Sciences

Ethan Pemberton

Project Name : The effect of color on taste

Project Number : JR-800-0043 -

Placement : 3rd Place

Ritesh Babu

Project Name : Lightning Lipolysis: Determining the Optimal Temperature of Milk Consumption for Lipid Digestion

Project Number : JR-800-0030 -

Placement : 2nd Place

Mary Todd Nicholas

Project Name : What brand of mouthwash is better at eliminating bacteria in our mouth?

Project Number : JR-800-0039 -

Placement : 1st Place

Cell, Molecular, Microbiology & Biochemistry

Addison Clayton, Liam Lugo

Project Name : Culinary Biotics

Project Number : JR-300-0049-T -

Placement : 3rd Place

Jenna Mitchell, Lily Potts, Lennon Strickland

Project Name : Fizz or Fizzle: The Great Yeast Debate

Project Number : JR-300-0052-T -

Placement : 2nd Place

Ava Biretz

Project Name : Muddy Microbes

Project Number : JR-300-0048 -

Placement : 1st Place

Chemistry

Jada Leger, Kahmara Orange

Project Name : Curly Cue

Project Number : JR-400-0068-T -

Placement : 3rd Place

Adeline Egbert

Project Name : Chocolates In Science

Project Number : JR-400-0058 -

Placement : 2nd Place

Caroline Heersink

Project Name : Finding the Best Eyeliner

Project Number : JR-400-0214 -

Placement : 1st Place

Computational and Bioinformatics Sciences

Noah Freeman, Web Griggs

Project Name : AI or Author: Can You Spot the Bot?

Project Number : JR-1200-0193-T -

Placement : 2nd Place

Saketh Pondugula

Project Name : Differential Diagnosis of Pneumonia using Artificial Intelligence and Chest X-rays

Project Number : JR-1200-0072 -

Placement : 1st Place

Earth and Environmental Sciences & Environmental Engineering

Promyse Bryant, Charlotte Rushing

Project Name : Eco-Friendly Moving

Project Number : JR-700-0087-T -

Placement : 3rd Place

Theodore Goldsmith, Yumin Kim

Project Name : Comparison of Bacteria Growth in Different Toothbrush Drying Positions

Project Number : JR-700-0079-T -

Placement : 2nd Place

Luke Alford

Project Name : Barometers: How Accurate Are They?

Project Number : JR-700-0073 -

Placement : 1st Place

Energy

Egan Sullivan

Project Name : Electromagnetism: Investigating the relationship between coils of wire and magnetic strength

Project Number : JR-600-0094 -

Placement : 3rd Place

Amare Harris, Matthew Miller

Project Name : Roof Shapes and Floor Feels: Uncovering the Temperature Connection

Project Number : JR-600-0091-T -

Placement : 2nd Place

Arya Adhikari

Project Name : Production of Diesel through Waste Cooking Oil
Project Number : JR-600-0089 -
Placement : 1st Place

Engineering

Brooke Baker
Project Name : Drip 'n' Drink: Effortless Hydration for Happier Hens
Project Number : JR-500-0099 -
Placement : 3rd Place

Levi Johnson
Project Name : Which Bridge Type Is The Strongest
Project Number : JR-500-0106 -
Placement : 2nd Place

Abby Skinner
Project Name : Shelter Shapes
Project Number : JR-500-0112 -
Placement : 1st Place

Physics, Astronomy & Mathematics

McKenzie Ashford, Andrea Hernandez
Project Name : Different Air Pressures in a Soccer Ball
Project Number : JR-900-0118-T -
Placement : 3rd Place

Cole Wise
Project Name : The Marble Roller Coaster
Project Number : JR-900-0131 -
Placement : 2nd Place

Carter Bright
Project Name : DIY Railgun
Project Number : JR-900-0119 -
Placement : 1st Place

Robotic Systems & Communication Technology

Tyler Broussard
Project Name : Lights On!
Project Number : JR-1100-0133 -
Placement : 3rd Place

Zayd Ali, Kaleb Lawson, Brody Sands
Project Name : Which Material Blocks a WIFI Signal the Most?
Project Number : JR-1100-0132-T -
Placement : 2nd Place

Karson Cullen, Lachlan Owens
Project Name : TB-64E
Project Number : JR-1100-0134-T -
Placement : 1st Place
